Herndon Centennial Golf Course

On behalf of the entire Herndon Centennial Golf Course staff, I would like to welcome you to our facility and express my personal appreciation for your patronage. Designed by Ault, Clark & Associates, the par 71 championship layout opened for play in 1979. Throughout the years the course has played host to several USGA Public Links sectional qualifiers. Known as one of the most popular courses in the Washington D.C. metropolitan area, we are proud to have been recognized in Golf Digest's "Best Places to Play" for 14 consecutive years and listed among the "Best Area Courses for Women" by Pros n' Hackers magazine.

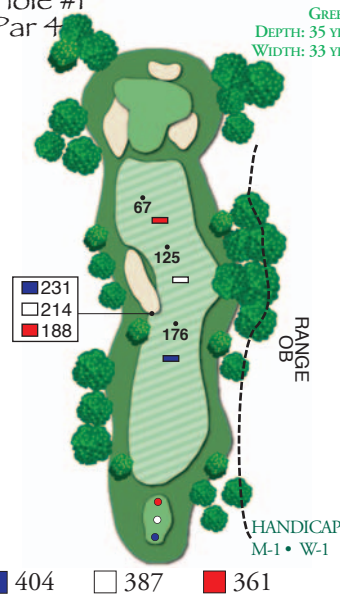

In 2009, the course became the 23rd golf course in Virginia and one of fewer than 700 courses worldwide to achieve designation as a Certified Audubon Cooperative Sanctuary for efforts to foster environmental protection. In addition to aesthetically pleasing conditions, golfers may likely observe several species of wildlife while traversing the grounds.

Once again, welcome and thank you for your patronage. Our team is totally dedicated to providing quality playing conditions and the finest service possible. Enjoy your round.

Sincerely,
Gene A. Fleming, Director of Golf

Medium length dogleg left par 4. Fairway narrows with longer tee shots. Hidden hazards on the left and behind the green.

Par 5 has water on the right side of the fairway and a reachable bunker on the left side. Tee shots in the fairway make this hole reachable in 2 for long hitters. An uphill approach guarded by bunkers makes hitting the green tricky.

A straight par 4 with a tough green sloped from back to front. Approach shots below the hole leave the best opportunity. Avoid any shot over the green.

This uphill par 3 plays longer than it looks. The green slopes from front to back and has a front bunker that can come into play.

■ 402 □ 361 ■ 334

Severe dogleg left par 4 favors a draw off the tee. Tee shots down the right side of the fairway leave the best angle for approach. A hazard lurks behind the toughest green on the course.

■ 410 □ 376 ■ 307
